

The Association for Research
in Vision and Ophthalmology

June 2009

The Association for Research in Vision and Ophthalmology (ARVO) is proud to congratulate the National Eye Institute (NEI) on 40 years of service to the eye and vision health and research community.

On May 3, during the ARVO/Alcon Keynote Session at the ARVO 2009 Annual Meeting in Fort Lauderdale, Florida, former ARVO President Todd Margolis, MD, PhD, presented NEI Director Paul Sieving, MD, PhD, with a plaque commemorating the NEI's 40th Anniversary.

ARVO recognizes NEI's support of research and its promotion of worldwide collaborative efforts to advance the science and improve vision and quality of life for millions. ARVO is confident in NEI's continued success in the future.

Sincerely,

A handwritten signature in black ink that reads "Joanne J. Angle". The signature is written in a cursive, flowing style.
