# Low Vision and Vision Rehabilitation: A Growing Need

Wednesday, July 14, 2010, 12 – 1:15 pm • Rayburn B-340  
Lunch will be served at this widely attended event (RSVP appreciated)

**As baby boomers age, the need for low vision and vision rehabilitation services will reach an all-time high.**

Learn how these critical services help:

- Americans with vision loss maximize remaining vision
- ensure that they remain safe, productive and independent
- reduce significant medical and long-term care costs for those affected, their families and the federal government

presented by

**Mark G. Ackermann**, President and CEO, Lighthouse International

**Michael Fischer, OD**, Chief of Optometry Service, Northport Veterans Affairs Medical Center and Lighthouse International Low Vision Clinician

To RSVP, please call Dina Beaumont at **(202) 530-4672** or
